

Migration registration

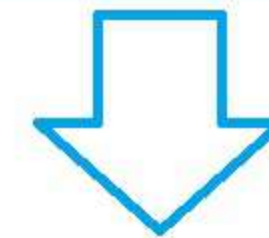

Yes

Do you live in the dormitory?

No

The apartment owner is obliged to register you every time at the apartment address.

Yes

After your each departure or re-entry into Russian Federation, the home owner is obliged to give your documents for migration registration to MFC or to the local subdivision of Migration department of the police.

The home owner gives you the detachable part of the Notification form with specified registration period, signed and stamped by the inspector .

The procedure for extension of the registration validity period.

Scan of detachable part of the Notification form on both sides

Submission of documents for the extension of the migration card

No

Does the apartment owner agree?

The International Office

The international office prolongs your migration card.

You need to provide the documents to the home owner in order to prolong your registration.

The home owner gives you new detachable part of the Notification form with specified registration period , signed and stamped by the inspector.

The university carries out your migration registration. Your registration address is the same as the dormitory address.

If you do not live in the dormitory more than 3 days in a row without informing the university about the reasons for the absence, the university is obliged to remove your migration registration.
